Greentrees Emergency Response Team (G.E.R.T.)

The new G.E.R.T. is up and ready to go after a couple of years hiatus. As most of you are aware we live under a black cloud of potential disaster that could endanger all of us at any time. This challenge can be in many forms: high winds, fire, earthquake and tsunami. G.E.R.T. was created to help Greentrees residents become better prepared to survive these potential disasters. We have all seen examples of the pain inflicted on populations that are not prepared for survival. The city and the government are working to do their part, but they will likely be unable to offer much immediate assistance to everyone affected. Therefore, we must work as a community to help ourselves.

G.E.R.T. is ready to tackle the preparedness issues such as revision of our Disaster Plan, evaluation of equipment and supplies needed, education and training of our residents on individual survival preparation and dealing with their pets' survival. *This is a large task and we need the help of as many residents as possible to assist in planning and executing these projects. If you would like to join G.E.R.T. in this endeavor, please contact the Greentrees Office or sign up in the Clubhouse lobby. Be Prepared and Stay Safe.*

Book Club by Don McGebe

There has been recent interest among Greentrees Village residents regarding forming a book club in our community. The concept envisions having the club members select a book each month to read and then meet on a monthly basis to review and discuss the chosen book. If you are interested in joining this book club, please sign up in the Greentrees Library. If there is sufficient interest, you will be notified and invited to an initial book club meeting.

Do you have a Health Condition that Affects Your Daily Life?

The Senior & Disability Services of Lane County is offering a FREE 6 week course for anyone living with one or more chronic conditions such as diabetes, asthma, arthritis or heart disease. Weekly workshops

will cover topics such as managing medications, dealing with fatigue and depression, managing symptoms and more. Participants will receive a free copy of the book, "Living A Healthy Life with Chronic Conditions" which provides information to better manage chronic health challenges. The next session will commence on Monday, March 4th and will meet every Monday through April 8th, 2019 from 10:00 am - 12:30 pm at the Peace Harbor Medical Center located at 400 9th Street, Florence, OR. Call 1-541-682-4103 or toll-free 1-800-441-4038 for more information or to sign up for this free course.

February Coffee Social by Mary Vander Weit

Coffee and so much more... every month on the first Tuesday at 9 a.m., members of our fantastic community meet in the Coffee Room to bond and meet our neighbors. If you are new to Greentrees Village, this is a great opportunity to explore all the activities we are proud of. I encourage you to come join us for bagels, cream cheese, fresh fruit, donuts and of course - coffee.

DVD Return

We have noticed that our DVD library has dwindled significantly since the holidays. Because of our honor system, if you have borrowed DVD's from our collection and are finished viewing them can you please return them to our library so that more residents can borrow and enjoy them? Thanks for your consideration!

Sing Along

The Sing Along group that meets on the third Sunday of the month is looking for a musician (piano or guitar) to join their group. If Interested, please come to the next meeting on March 17th @2:00 p.m.

A Friendly Reminder

When walking your dog on Greentrees property please keep your pet on a leash at all times. Greentrees has the same leash rules as the City of Florence. Dogs must be on a leash, not just in your control.

If you see a dog running loose in Florence or Greentrees, you can call Dan Frazier, the Code Enforcement Officer for the City of Florence at 541-997-8237. Officer Frazier will come out and attempt to catch the dog and return it to it's rightful owner. He may also issue warnings and citations to residents who do not comply with the city leash laws. Fines can be as much as \$150.
